

LOCKING PLATE SYSTEM

About us

***Accuro Healthcare Pvt. Ltd.** was incorporated in Ahmedabad, India. Today, we are recognized as one of the country's leading medical implant companies. Throughout our journey, we have learned that a combination of product quality and service excellence is essential to achieving our goals and earning the trust of our customers. Since then, the strong, trust-based relationships we continuously strive to build have helped strengthen our presence in the international market.*

***Accuro Healthcare Pvt. Ltd.** is an integrated, research-driven orthopedic implants and instruments manufacturer, offering a wide range of high-quality and affordable generic orthopedic solutions trusted by healthcare professionals and patients across the globe. We are committed to delivering both established and innovative orthopedic products that consistently exceed our customers' expectations for quality, safety, and reliability.*

We manufacture complete range of Trauma Implants, Spine Implants, Cervical Implants, Intramedullary Nail System, Special Locking Plate and External Fixators and all other Orthopedic implants.

We manufacture our implants using high-quality raw materials such as Stainless Steel and Titanium, in full compliance with international standards. All products are manufactured in-house using state-of-the-art infrastructure and advanced CNC technology, ensuring precision, consistency, and superior quality.

***Caution :** We request the surgeon/user to verify the suitability of the product in all respects, before usage. Our liability is restricted and we assures for our product and is manufactured as per accepted standards for dimensions and quality of raw material.*
